

I am going to
Prep at NCC!!!

Here is a picture of my new school.

There are lots of new children starting with me. They have never been to school and they will be nervous and excited, just like me!

When I go to school, I will wear a uniform. I will wear the red and green shirt most days. The coloured house shirt is for the day I have sport. It can be green, red, blue or yellow.

I must always wear my hat in the playground to keep me safe from the sun.

I must also wear my shoes and socks each day. Velcro shoes are much easier for me to take on and off.

This is the Principal of our school.
Her name is Mrs Baker.

My teachers will be there to help me and teach me lots of new things.

Here are the Prep teachers.

Mrs Lanham

Miss Nagel

Mrs Spann

Here are the Prep teacher assistants.

Mrs Thornton

Miss Bradshaw

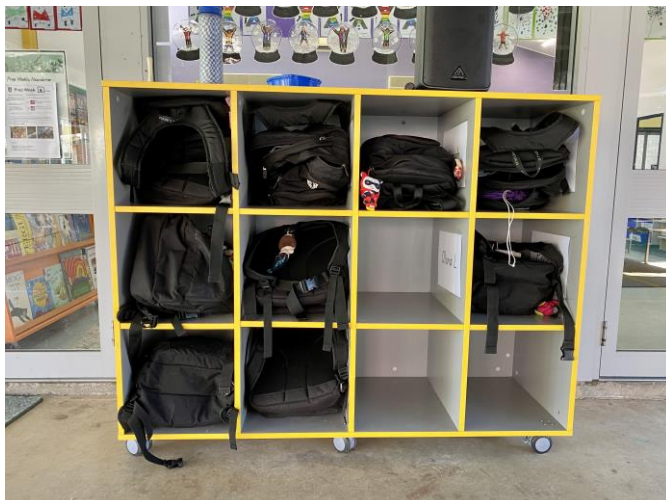

Mrs Fischer

I will take a school bag each day to school. It will have everything I need for the day. It is important I practise packing my bag and doing up the zips!

This is where we will put our bags.

I will bring a lunch box to school each day with my fruit break, morning tea and lunch. Lunchboxes can be tricky to open! It is important I get one that I can open myself.

This is where I will put my lunchbox.

At 9:30, we have fruit break. This is when we get to have a little break to eat some **fresh** fruit or vegetables. This will give us energy for all the fun things we are doing in the classroom!

I will have a red folder that I bring to school each day. This is where I will put books and notes to bring home with me.

When I am in Prep I get to play sport with Miss Perry on the oval.

I will go to the library and share books.

I will have fun in Music.

I will also learn French with Madame Gordon.

When I get to school each morning, I will wave goodbye to my parents. If I feel a bit worried or sad, I just need to remember that they will be back to pick me up at the end of the day and that in the meantime, I am going to have LOTS of fun with my friends and teachers!

When the bell rings at the start of the day, this means it is time to sit down with my class. This is where I will sit.

In Prep we have a playground just for us!
There are lots of fun things to do in the
playground!

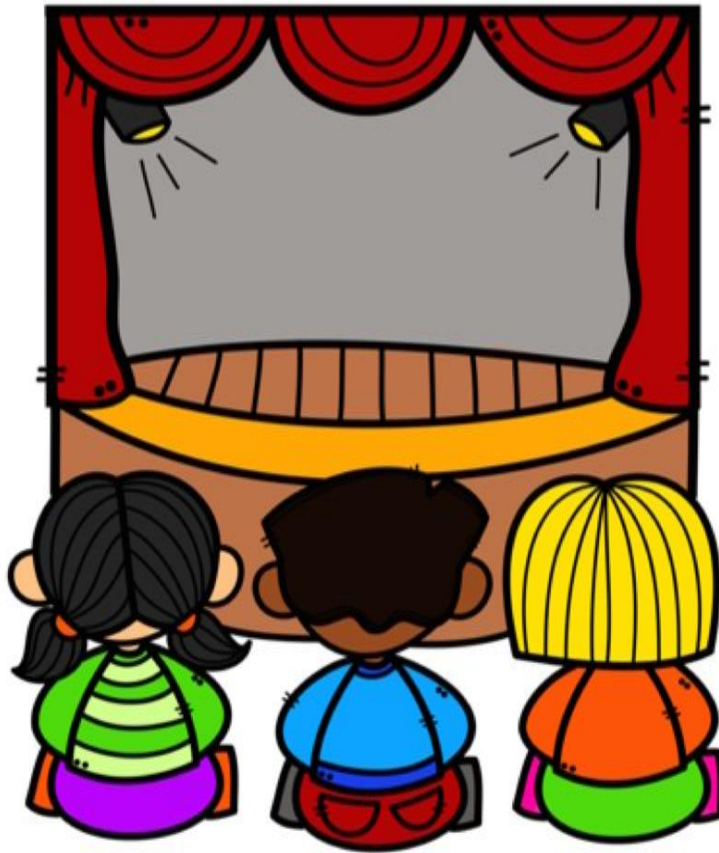

There are always teachers in the playground to help me if I get hurt. If I have any questions, I just need to look for a teacher.

We will learn so many new things and do lots of fun things in the classroom. Here are just some of the activities we will do during the school day:

Each week we go to
the church for
Chapel. We get to
sing songs to praise
God and watch
performances about
different Bible
stories.

At the end of the day, the bell will ring and it will be time to go home.

We will tell our parents all about the fun adventures from our day!

We cant wait to see you next year!
It is going to be lots of fun!
